25 April 1967

NOTE FOR: Mr. Bannetman via Mr. Waddield

STAT

- 1. This is regarding BOB Circular A-13 revised 28 March 1967. Mr. Clark notes in his memo that this revision is more or less a duplication of a regulation concerning changes in work scheduling which has been in effect since 1943. Apparently this Agency has not heretofore consulted with BOB and Mr. Clark merely points out that we should not be seeking an exception to the BOB Circular for this relatively minor problem. In essence he makes no suggestion that we change our previous procedures. The only applicability would seem to be in the Rosslyn area anyhow.
- 2. I would suggest that we might let this matter ride and send the papers on to the Office of Personnel for retention.
